

## Current Job Vacancies

At the earliest date possible we are looking for

### : Structural Engineer (m/f)

For structural design calculations/documentations up to approval planning as well as for design documentations reviews.

### : Structural Engineer (m/f)

For structural detailed design drawings/documentations and/or project planning of civil engineering projects. Ideally you have experience with Allplan.

### : CAD Technician (m/f) / Structural Draftsman (m/f)

For structural detailed design drawings/documentations and/or project planning of civil engineering projects. Ideally you have experience with Allplan.

Based on our long term working experience in planning and review of every day projects as well as extraordinary projects we are looking for new challenges together with you.

We have the creative and unlimited work environment of a Hanseatic engineering company.

On top of that, we offer an attractive salary.
